# Create a Résumé or Curriculum Vitae

Your resume or CV introduce you to potential employers, funding soures, or graduate programs. They are highly valuable representations of your efforts, so it is important to keep a professional, updated resume and/or CV on hand. Make the first impression a good one!

**Résumé** - A brief, concise overview of experiences and skills relevant to a specific opportunity. These make you stand out and help you to secure an interview.

Short (~1 page) and eye-catching

Adaptable

Chronological order OR order of relation to opportunity

**Curriculum Vitae (CV)** - A lengthy, in-depth review of academic credentials and accomplishments. Some people have multiple CVs related to multiple roles (i.e. research, teaching, and administration).

No page limit

Static - Information frequently added, rarely subtracted Reverse chronological order

## **Full Name**

(319) 335-8336 youremail@uiowa.edu
